

TWO'S COMPANY

FRIENDLY VISITOR / CALLER SUPPORT

Make someone's day and make your day, too!

Encompass Community Supports
your Area Agency on Aging,
is seeking volunteers for
"Two's Company," our new Friendly
Visitor/Support Service!

As a Friendly Visitor, you will be paired with an older adult in your area for weekly visits in their home or through a phone call. Many of the participating older adults may not have friends or family nearby and have trouble leaving the house on their own, so they end up spending most of their time alone. By volunteering with Two's Company, you can brighten your older neighbor's day and give them something to look forward to.

Are you interested? We would love to speak with you!
